Note from the Author

This is the third book of the Written Judgment series. I am under the commandment of the Lord to release these prophecies as a five-volume set. As the Written Judgment series progresses, it has been a literal sign and wonder as we've witnessed the unfolding of the Word of the Lord on both national and international matters.

This particular volume is both sober and exhilarating. Sober...for some of what the Lord has revealed demands that we sit still in His Presence, and think on the ways of men that have caused such devastation to be birthed into the earth. Exhilarating...for God is going to show Himself mighty in long-standing situations, and He is about to empower the Body of Christ in a miraculous way.

There will be some who may read this book with the eye of a skeptic—seeking to bury their head in the sand to ignore the vivid realities of God's indignation. Others will take the Word of the Lord lightly, ignoring the warnings and instructions thereof. To them, I send blessings, for God will defend His own Word.

But for those who are sensitive to hear what the Spirit of the Lord is saying, this book will prepare you for the next move of God in the earth. It will prepare your heart for endurance, and strengthen your hands for the work. It will prepare the Church for the coming visitation that shall leave people in a state of astonishment; baffled by the manifestations of God.

Let the intercessors read this, and awaken to the task at hand, for the Word of the Lord must be nurtured by the prayers of the righteous. Let those who name the Name of Christ embrace that which the Lord is saying, and be attentive to His Voice, for He is God, and beside Him, there is none other.
CHAPTER I

Global Adjustments
The Word of the Lord came unto me saying, "You have entered into the days of major adjustments, both nationally and internationally. This will be the time where you will see the process of public election take a turn for the worse, and many will be silenced during this season. The instability of nations that appeared to be so stable in the 90's will become an overt sign to all that I am God, and beside Me, there is NONE OTHER.

The Word of the Lord thundered from the heavenlies, crying, "Redemption! Redemption! Redemption!" I began to wonder what was taking place as I heard the rush of angel's wings and great activity sounded from
above. The Lord began to declare that this is the hour that He will cause men and women to recapture land and territories that had fallen out of their hands. They shall possess the land once again.

These will be days that you will behold the trail of tears in reverse order. For the Lord has declared that the time of the lease is about to expire, and you will see land coming into the hands of descendants who maintained a tenacious hold on the land through the Spirit, refusing to bow to the connivings of men that attempted to divest them and their family of their rightful inheritance.

Suddenly, mine eyes beheld an enormous hourglass that plummeted down through the sky. An angel began to herald, “The sands of time are running out!” I feared the seriousness of this sign and beseeched the Lord, asking, “Why has the hourglass appeared in this season?” The Lord replied, “I am beginning to change the course of nations that have stood in the forefront. For this is the day that I will come to your planet and shift the course of governments.

“Prepare! A new day is about to appear! I open your eyes, and you will begin to see wars in the heavenlies.” Immediately, my eyes were empowered to behold fight- ings and principalities in major conflict. The Lord con-
tinued to declare, “It will be the season when you will see a people emerge out of the murkiness of society with a standard that will far exceed the ethics of former generations.”

**Japan**
The Hand of the Lord began to rest upon me as He said, “Watch the hourglass again.” The Lord took my eyes as far east as I could see, and I beheld Japan in a whirlwind of change. I saw Rebellion visit her soil. The Lord said, “This will be the season where the youth of that nation shall be enticed by the Spirit of Rebellion, and they shall bring their parents to their knees. This visitation comes in a season that I have designed to tear down her idols that refused to acknowledge Me in their midst. This will be a season of great upset as My judgements manifest in their midst. You will even see a seven year war waged that will astound the very soil of Japan. This will be the season of great cups of bitterness that must be ingested by those who lacked an appetite for My Grace.

The clouds began to gather in the skies and take counsel one with another. The rumblings of their speech baffled me, and I asked, “Lord, what hour is this?” A jumble of golden letters appeared before my eyes, jumping into place to spell out their message. Yet I remained confused, for I could not understand their pronunciation. Then the Word of the Lord came strong-
ly and began to declare, "I will change your international ports. I will raise up a generation that will refuse to compromise. These will be the days that you will see the alienation of nations that will refuse to cooperate with the nations that possess the keys of power.

The days are forthcoming that you will see a new monetary system emerge. It will be birthed in a cycle of great abomination. I will take currency that has not glorified Me from nations that were devoid of My Presence, and place it into the hands of men that will be willing to bear My Name upon their lips. I shall cause large amounts of gold to appear upon their tables, for I shall finance righteousness in the earth.

I will raise up nations that will return to the old standard of judgement. I will cause mothers to weep for their sons who have walked down the gloomy halls of oppression. For a spirit of murder will disguise itself with the masks of accusations, trials, and sentences to kill off the undesirables of society. This will occur in a season that free press will be silenced in the land. The days are forthcoming and is now that men will be hauled into places of unjust judgements because of the knowledge that they possess."

As the heavenlies grew silent, my ears began to detect the gurgling sounds of the waters of the earth.
Then the Lord said, "Come to the sea of time and begin to wash your face." As I stooped down to peer into the sea of time, I began to see images in the water with tears in their eyes. I beheld the fish of the sea moaning and crying as they grieved over the carelessness of mankind that poisoned their place of habitation in the earth. The Lord said, "Because of the greed of man, fish will slowly be removed from man's diet because of the illness that will judge a society that polluted without regard for life."

As I began to walk away, I saw entire areas of commerce come to a sudden end. Men were running in circles, saying, "How did this come about within a day?" Then the Lord began to stand in the panicked faces of men and judge entire corporations for the upset and tilt that they brought to society.

Alaska
I was taken to Alaska, and I beheld a change in governments that have danced with corruption. I began to witness contracts of greed being signed, and generations unrighteously exploited. Then I saw the Hand of the Lord touch this region with shakings and quakings that continued to increase as His wrath expressed itself in their midst. The Lord began to laugh in derision at the futile attempts of scheming men to ignore His doings in their midst, and He said, "Watch Me protect
the innocent ones within this region and chase out adversaries in the face of this calamity!”

**North America**
An angel appeared, and I was apprehended by the power of God. I was in the heavenlies, and the angel cried, “The masses are coming! The masses are coming from across the waters! The masses are coming and shall fill the continent of North America! The masses are coming!” I saw people swimming from afar and traveling by sea to escape the change of government that is coming from abroad. The Lord began to speak and said, “Prepare again for a visitation of corruption to visit and expose the wickedness of the nations of greed. You will see refugees escaping the murderous hands of an angry despot who will have sold their infants and killed off their elderly. The bowels of compassion shall be stirred in the earth for the masses who are coming to escape the sadistic evil that has arisen within their borders.

**South America**
The Word of the Lord began to fill my mouth, and He said, “Son of man, prophesy to the powers that be.” I began to open my mouth, but words would not come forth. I stood in amazement as I vainly tried to speak. Then the instructions of the Lord came forth and said, “Speak to the powers in a language that they can under-
stand." I began to prophesy in another tongue that was unlearned to my natural mind.

I heard the dismal sound of people weeping and howling within the nations of South America. The Word of the Lord came unto me saying, "I have visitation scheduled for this people. Prepare! The land is about to regurgitate its corruption! The blood of the innocent that has spilled into the earth cries out for My judgment in their midst!" I saw people rioting in the streets and entire governments collapse overnight.

I looked and saw a large table set before my eyes. I perceived it was the table of nations. As I approached the table, I saw, instead of plates, a book at each setting which represented each continent. I desired to open up the books, but I became disturbed at the action of that day. Then the Word of the Lord came unto me saying, "I will not allow you to peek into the continent of South America, but it will be a day of visitation that will sweep literal millions towards My Presence. You will see revival sweep over that land and cause many to be filled with My Spirit and abandon the vain traditions of men.

South & Central America
"But there is a season forthcoming in which I will cause the books to be opened for you to see the visitation that
will come to the continents of South and Central America. It will be the day that I will expose the exploitation that has taken place and show you My glory in degrees that you have never seen before. This will also be the day that I will expose the counterfeit and the false anointings that are sweeping the earth.

"The Day of the Lord will come quickly unto My people. Those that will have a hunger to know Me and follow hard after My purpose will begin to know My manifested Presence. This will be the day that I will cause men that desire to be fishers of men to walk in a level of holiness and awareness of My doings that will bless and astound the multitudes.

"This Spirit of Awareness that will come upon these men and women will bring forth a level of discernment that will expose the lies that have come into the earth disguised as My anointing. I will cause men that have sought for fame in the wrong places to come into a season of great shame in the year 1999.

"These are the days that I will pull off the mantles that have chosen the way of compromise and will cause a new breed of voices that will sound forth in this hour. I will cause men and women that have paid the price of isolation and endured the painful season of unpopularity to come forth from the other side of the desert. This
is the season that I will make men and women that will be willing and obedient to speak My Word to stand boldly against unrighteousness.

Avenging the Oppressed & The Poor
“My Spirit shall come upon hand-picked individuals and they will prophesy against systems and laws that have been legislated to commission the demise of the oppressed. I will cause major prophetic institutions to emerge.

“Prepare for war! Prepare for war! I will open your eyes to see the sleeping giants within the Church come to a place in this hour where they will cry out against the systems of oppression. For I shall so order events that none shall be able to deny My displeasure, for it shall wax hot in thy midst. He that hath an ear will hear what I am saying, and shall stand on the Lord’s side.

I will stamp My foot upon those things which have fostered the confidence of men. The weight of My glory shall shake those things which men have thought were stable. Prepare for financial ruin to topple those institutions who sought to gain profit from the destitution of the poor. I will cause entire city governments to come to nought before your eyes. I will place My hand upon the lowly and cause them to succeed and beat the odds that were set by those who gambled for their demise. I
will become incarnate with the poor, and you will find that those who bless them will prosper in the turn of the century.

"I will redefine the purpose of My Church within the earth in this hour. The Church has closed their ears and shut their eyes to the lowly, but in this hour, I will raise up a new flank of leadership that will bring forth a new definition of the role of the Church in this hour. It will not be a new Church that has never been seen before, but a Church that will move back to the biblical standard that I set up in the beginning. I will raise up men and women that will be touched with the feelings of the infirmities of men.

"Prepare — for a day of laughter is coming to the earth! I will openly mock the gods of this world, and strip them of their presumed nobility before the eyes of men. My glory shall overthrow the idols of men. They shall be consumed with the cravings and lusts of their own hearts. When these days come, men will ask, "Are these drunk?", and I will answer them through the voice of My servants; "Yes, but not as you suppose." In this season, I will bring major economic collapse and very large institutions shall fold up and close their doors quickly; they'll disappear overnight."
America
As I gazed down at America, I saw the eagle gather her wings, and rise from her place of habitation. It began to take to the sky and soar. I stood and watched until I saw the eagle no longer. I asked men who stood nearby, “What happened to the eagle?” They responded, “What eagle?”, and I wondered if men beheld what I beheld. Then I realized that I was talking to a generation that was years into the 21st century. I beheld a strange currency in my hands and centers of commerce were already changed. And the Voice of the Lord began to speak, “This will be the day that your ports will change and you will see a people controlling borders. They did not come forth in the 20th century, but they shall emerge in the 21st century.

Genocide
I saw genocide erasing the lives of society’s undesirables. It will be a day of attack upon the poor. Yet God will show forth signs and miracles for those that will run to their rescue. The days of concentration camps are quickly approaching and men are pulling out their hidden agendas. Leaders who claimed to be “for the people” will sell out the very people that the world thought they would represent.
**Election 2000**

God also showed me that election 2000 will bring a lame leader into office. He will be a leader who will be incapable of standing upon principles and ethics, for he will lack the strength to walk upright. God will visit the office of the presidency with infirmity and cause the nation to begin a prayer gathering. He will expose the things that will be hidden and cause a spirit of illumination to sweep the land. Prepare, for the season of power will increase and men will pay any price to obtain the sweet mastery of success.

The Lord said, "Prepare — for the scales are descending to the earth to judge the sins of men. This will be the hour that you will hear of many false alarms concerning The Coming of the Lord. I will visit quickly, but not in the way that the earthly mind projects," saith the Lord. "There will be large gatherings, and you will see men and women running to places where they are led to believe that they will find Me, but I will not be found of them.

"This will be the hour that I will push the forerunners to the side and bring a new cabinet of pioneers to the forefront. I will cause men to come into a new place of consecration in My Presence, and I shall reveal Myself unto them. I will be found among those that hunger and thirst after righteousness, and surely they shall be filled."
"These are the days that you will find men earnestly calling upon the Lord, seeking salvation on many levels. Those who have relied upon the economy of men to carry them over will come to a day of great weeping and upset, for they will find that the arm of flesh is fragile, indeed. I am preparing a day that men will see the bottom come out of economic structures that appeared so stable and investments that guaranteed definite returns will see the judgement of My Right Hand.

Then the Angel of the Lord invited me out to the sea. As I stood upon the banks of the ocean, I beheld the waves crashing against the sands. And the Word of the Lord came unto me saying, "Behold the movement of the water....for you are coming into the era that I will once again change the course that the water will be taking. You will hear My Voice within the nations that will lead in commerce and see my judgment upon those that will fall behind." Then the Hand of the Lord came upon me and set me down in the midst of the waters. I saw ships, both large and small, rerouted in directions they didn’t want to take. “But this is the season that you will see Me moving,” saith the Lord, “and I shall cause nations that were not able to profit in the 20th century to lead in productivity during the 21st century. This season comes so that their children may harvest the seed that their parents sowed for their liberation."
Then I heard the Voice of the Lord saying, “Come away, son of man!” It was as if I was being lifted to a height in God which I had never known before. Then the Lord took me to the altar where the souls of men were laid, and He said, “I want you to hear the sound of voices that never had expression in the earth.” I heard the lamenting voices of children who had been denied their entrance into the earth as they mourned and called for God’s judgment. The Lord said, “I am about to judge men who sit in high places that have welcomed a visitation of death in the earth to suit their own corrupted and perverse ambitions. I shall answer the visitation of death with a visitation of judgment upon a generation that has removed the seed of life from out of the earth.”

There was a rumbling and a shaking, and a mighty wind that began to blow. It was as if I were in the midst of a tornado, and the winds spewed me into a hall of clocks and windows. The Word of the Lord came unto me saying, “Welcome to the windows of time, for I will show you the future that will shortly come to pass.” As I gazed through one window, I beheld the elderly standing with tears in their eyes; looking frail, hopeless and bound. Then God said, “New laws will be passed to eliminate the elderly beyond their control and will.” I asked the Lord, “Why?” He replied, “A day of recompense is coming their way, and you will see the elderly lose the right to life just as they denied that right from the seed that had no voice.”
The Medical Society
I saw a panorama of diseases sweep the lands of the earth, coming out of nations that lost control of their population. Then the Word of the Lord came unto me saying, “Prepare! The day and the hour is forthcoming that I will settle issues among men and bring judgement upon the medical society. Diseases shall be rampant and out of control. They shall laugh in the faces of doctors whose efforts shall be futile against their power. I will decrease the population of the nations, but this time, not by their choice, but by My choice.”

I looked up and saw laughter in the heavenlies that smothered the sounds of the cries of men who have been victimized by a peculiar disease that will judge their refusal to repent of their wickedness. The Lord said, “Because men have refused to repent, a sexually transmitted disease will be released in the earth that shall avenge the perverseness of the appetites of men. This disease shall claim lives within months of it’s contagion. I will bring that which is even more frightening and deadlier than AIDS, and cause men to know that I have condoned sex only within the marriage bed. This plague shall awaken men to righteousness, and many shall call upon My Name in desperation, for there will be no help from the medical profession.
The day of the Lord will bring much upset and disgust as the coming century approaches. He said, "It will be the season that I will begin to separate those that are with Me from those who are against My plans and purposes. I will cause a transition to come forth in the leadership of the 21st century. You will see the day that the Church will have a more prominent position within society. I will cause kingdoms to be subdued by the Name of my Son. When men shall see the One whose Hands they pierced, they will come to an awakening that they must bow to the Name of Jesus.

Astronomy & Falling Elements
"I am coming in your midst as a Mighty Man of War in the 21st century. You will taste of a season of great loss upon the planet. You will also begin to hear of elements falling out of the heavens upon the earth. When you see this, know that it is the beginning of sorrows. I will cause the astronomers to be amazed, and many shall be mesmerized as they gaze into the heavens during this season. I bring men into a state of watching and beholding My Glory, for it shall be revealed and fill the earth with much pleasure.

"Now is the time that I will cause the prophets within the earth to begin to stand upon their watch and see what I will do to those that will come to know My Name. This will be the season of great unveiling, and
you will see the prophets proclaiming judgement upon a malevolent system that has caused great discontent. I will cause many to look for the purpose of the Lord within this hour. I will bring a new understanding of holiness, and you will hear things magnified out of the Word that men have overlooked. This will be the day of the unveiling of those things that are presently hidden from the eyes of men."

Then the Lord appeared unto me, and said, "Come to the place where the horses are standing." I smelled an abundance of sickly sweet flowers, and was shocked to behold a funeral cortege led by a lone horse carrying a body upon its back. I thought that the Lord had taken me backwards to unveil something from the past, but when I got to the calendar, I realized that the Lord was taking me into days that the earth has never known before.

A bitter cup shall be passed to a generation of brightness and brilliance. A cup of vast dregs shall be placed in front of men that shall appear repulsive, yet the commandment to drink thereof shall not be repudiated. The Lord said, "Come to the place where I can give you bread and meat that you know nothing of."
RADICAL VOICES

Radical Voices
I beheld people in many places and lands hungering and thirsting for the bread and water of the Word. "These will be the days," saith the Lord, "that you will see men carrying the bread of life that will feed the nations of the world. I will raise up new voices that will sound the alarm of truth and justice, and you shall see My Face in degrees that you have never witnessed. This hour will be known as The Hour of Radical Voices. You will hear radical voices on every front; political, world, national and international voices will cause such a stir that many will wonder if they will overthrow present day systems.

"The 21st century will bring the Glory of the Lord to a new height in the earth. I will take the worship in the House of the Lord and make the world system envious of what shall be produced. This will be the season that you will see the supernatural at a level that will be phenomenal.

"Beware," saith the Lord, "for there will be false anointings that will try to arise simultaneously. I will cause your eyes to be opened for the purpose of discernment. You will see individuals trying to raise up churches outside of the Body of Christ. You will hear of false religions that will come in the name of another messiah. This will be the hour that you will see masses
of people deceived as they attempt to ascend into the heavens outside of the Door, Jesus.”

Then the Lord took me up into the heavens and said, “Listen.” I began to be silent, and I heard the sounds of clapping in the heavenlies. Then the Word of the Lord came unto me saying, “Prepare for the downpour of My judgements upon men. While many thought there was just a sound of thunder, those that had an ear to hear heard the Voice of the Lord trumpeting commands to the warring angels and angels of judgment.”

These will be the days that I will raise up prophets that will trumpet the word of change for their region and geographical area. I will bring forth a day of new prominence for those that have been placed into hiding. This will be the season and the hour that I will cause My glory to be seen upon these voices within a cloud that has yet to appear.

**Governmental Corruption**

I heard the Voice of the Lord saying, “Come up to the mountain of the Lord, and I will bring you to an unimaginable plateau of peace that the natural mind will need in this hour.” As I silently waited in His Presence, I found a place in God that gave me peace of mind and brought calm to my spirit. The Lord began to say, “This will be the hour that this peace will be need-
ed because of the vast injustices that will come forth in this hour. You will see a rise in corruption on every level. I will expose the sinister level of corruption that permeates high level governmental officials. Their dirty laundry will be hung out in this hour for all to see, and their shame shall become a proverb in the land. I will cause an 'upset because of the vital people whose lives will be lost as their sense of ethics shall sweep out of control."

**Hunger for Prophetic Ministry**

"The Word of the Lord will have a very special place within the earth, for I shall touch the palates of men, and give them an appetite for prophetic ministry. Men and women shall literally cry out to receive a fresh word from the mouth of God. I will cause men that were in a state of famine to hunger and thirst for My Essence to be spoken into their lives, and they will begin to run after those that have the Word of the Lord upon their lips. It will be the season that I will bring stability to the bases of those that will represent My Name," saith the Lord.

The earth began to quake under my feet, signalling the appearance of four angels with golden trumpets in their hands. I was perplexed as I noticed that they were riding upon horses that were prepared for war. Then the Word of the Lord came unto me saying, "This is the
hour that I will cause a destroying angel to sweep across the continents of the earth and judge men who have refused to know My Name and My ways by way of diseases that shall relentlessly devour their flesh.” The angels began to blow their trumpets heralding the day of the mournful lamentations of men. I began to hold my ears, for I could not face the torment of men’s souls and listen to the hideous sounds of weeping and despair. I beseeched the Lord for mercy, and waited as the sounds of anguish began to wane. Then the Word of the Lord came forth out of the trumpets in a song of jubilation, saying, “It is time for men to repent of their words and deeds...come and worship the Lord in the beauty of holiness!”

I fell down upon my knees and began to worship the Lord and the Lamb that was sitting upon the Throne. He commanded me to stand upon my feet, and announce that the hour has now come for the prophets in the earth to arise upon their feet and go forth as a mighty army and trumpet the Word of the Lord for their generation.

I prophesied as I was commanded. Then the clouds began to gather as this army began to wield the swords within their mouths and split men asunder from their heads down to their feet, like the curtains of the Temple that were rent from the top down. I stood in amaze-
ment as I saw this army coming forth in such power and authority to destroy the philosophies of men that have exalted themselves against the thoughts of God. The hand of the Lord shall slay leaders upon the earth that have swayed the masses with a gospel that preached against the knowledge of God, and you will see a generation destroyed as if they never existed.

Then I heard a voice sounding from a distance that was coming closer and closer. Faces began to appear in the sky as if it were a choir suspended in the air. The Word of the Lord came unto me saying, "Look up! Listen to the new sound that has been declaring the beginning and the end of My purpose." The voices spanned from one generation to next, sounding within the range of infinity, and gave a proclamation stating that the purpose of man is to glorify God and that none other is to share in the praise that is due Him. Man must learn to humble himself and submit to the will of God.

The Presence of the Lord appeared upon the scene, and I began to discern the presence of His throne and I saw a rod within His hand. I listened in awe as God gave commands unto angels and spoke unto men; assigning them to specific geographical locations to which they were called to speak on His behalf. Then the words of the Scripture came alive unto me, and I understood that the Lord inhabits the praises of His people. I
saw the Cathedra of the Most High, judging the earth, as men were praising the Lord.

I began to witness creatures that I could not describe because I could not associate them with anything that I had seen within the earth realm. As I peered at them in amazement, the Lord said, "This will be the hour that I will cause great upset to come to the children of men. Run! Run! RUN!!, for you will witness the Hand of the Lord come swiftly to remove a generation that has refused to exalt My Name upon the earth.

West Coast & Pacific Ocean
"Now go quickly, and behold the Pacific Ocean." I ran towards the West Coast, and the waters began to rumble and howl, for the finger of the Lord created fear in its depths. The Lord came unto me saying, "The days will come that I will bring waters unto the West Coast of the United States that will appear in the violence of typhoons, and many will wonder at the strange weather pattern that shall prophesy My disgust with the sin in the land.

"But, prepare! Change your position in this hour and begin to laugh!" A spirit of joy arrived in the earth as the calamity of men increased. I found myself laughing hysterically in the face of afflictions, though inwardly, my heart wept many bitter tears. God spoke yet
again, "I am laughing through My anointed vessels concerning the visitation of judgement that men thought they would escape, but I am a Rewarder....even to those that refused to seek Me. The day of judgement has come upon them. This is the hour of breakthrough, for I have re-arranged the plans of men, and none shall despise My wisdom for long."

Chapter II
CHAPTER II

Discipline The Children of Men

"These are the days that you will see the Hand of the Lord stretching forth over the land, as I bring forth discipline unto the children of men. For I will silence the mouths of serpents that are spitting their venom into the ears of the country, and you will see forces that have been appointed to dethrone the influence of the Church come to naught in this hour," saith the Lord.

"You will witness a downpour of laughter coming from the heavens that will disturb the principalities and powers assigned to that land. I will cause many to know Me in ways and dimensions that many have thought impossible. The day of great illumination is coming to the earth. You will see men and women
raised up that shall operate by a different order than that with which you are familiar, and they shall carry a weighty word of the Lord for this generation.”

**Attack On Church by Government Agencies**
You are now crossing into times that your eyes have never seen. It will be the day that the House of the Lord will be under close scrutiny and subversive attack by government agencies. There are officials who sit in high places that have imagined to silence the voice of the Church, for they believe that they are God. They will exert a system of control in an effort to overtake My sanctuary and places of worship. But I will stir up My fury and bring calamities into the earth that shall bankrupt their established system of order. I shall confound them with a season of natural disasters.

**Red Cross & Social Security**
The hour is coming that the Red Cross will not operate as it has been known in the past, for they shall experience a time of great famine, and they will be in existence no more. Men will lift their hands for help and find none, for I shall hide My face from those who despise My Name. I will slap penalties upon the Social Security system for their abuse of the oppressed, and I shall cause their monies to come to a standstill. The people of God must cry out unto Me for help, and I will set up treasures for those who know My Name. They shall know Me as their Shepherd, and they shall not want.”
“Prepare! The clock is ticking and the time of this season of mercy is running out! You will see swift movements in the air, for change is coming from all areas,” saith the Lord. “It will be the season that you will see My Hand raised against nations that have allowed sin within their borders.”

**Puerto Rico & Miami**

Suddenly, a great gust of wind enveloped me, and as I looked towards the East, I saw a horrendous wind blast great devastation upon the shores of the East Coast of America. I shall express My fury before the turn of the century, for I shall cause the winds to prophesy My judgements against the intentions of men. The borders of this nation shall be shaken with the hardness of my Hand. And I reserve a special visitation for the ports of Puerto Rico and Miami. I will demonstrate My displeasure and leave men astonished," saith the Lord.

**Corporate America**

“There shall be unusual calamities within the sky. Men shall strategize amongst themselves, and devise plans of their own imaginations to attempt to build a threshold of security, and their measures will become tight and oppressive. I will cause a shaking within corporate America. Businesses will function under a great handicap because of the days of the judgment I have decreed upon systems that have worked corruption.
Airport, Bus & Subway Security Measures

"I will cause security to become tense within airports, and you will see a profusion of delays and long lines. This predicament shall extend beyond airports, and I will show this same sign at major train and bus stations.

Bomb Squads

Bomb squads shall increase in numbers and in usage. Men will watch in amazement, and wonder why these things are happening before their eyes. I despise the sin that flaunts itself before My eyes, sitting in high places while boasting of its vanity. The ungodly shall reach their appointed hour of turmoil, and men will seek to hide and find no hiding place.

Television Station Under Siege

America shall witness the time that a particular television station will be under siege. Many will mourn, and soberly wonder how these things could happen within the walls of a nation that once was so stable.

Global American Hatred

The hatred of America will increase around the globe. And you will hear of men telling America to get out of their business, and to exit their nation. America’s garment of nobility shall be seen as the tattered rags of intrusion. The people of these lands shall reject America’s overtures, and they shall screech, “Preside
over your own destiny, and leave us to ourselves!!”

**American Troops**
"You shall see American troops in many more parts of the world, but the relationships will be very tense; there shall be wars in divers places," saith the Lord.

**Abortion & Mercy Killing**
"The hour of wrath will also come to the abortion generation. Not only will killings multiply, but you shall see the institution of mercy killing. Many shall think this will be aimed only at the elderly, but laws shall be passed that will target the handicapped and emotionally disturbed, and many shall be the bitter tears that shall be shed over this evil."

**Earthquakes: Strange Places - Strange Times**
"When this hour comes," saith the Lord, "I will cause the earth to shake and quake with the nausea within My belly. You will see and hear of earthquakes in strange places and at strange times. A day will come when the earth will shake during a major event and will eradicate entire families in a single stroke. Your eyes will behold My dealings, and I shall turn a deaf ear to your intercessions, for the cry of vengeance from the blood of the innocents shall dry out your pleas for mercy. People that know My Name must cover themselves in prayer,
for they shall discover the power of My blood. It will be as it was in the days of Egypt, when the children of Israel had to place the blood upon the doorpost so that the death angel would pass over them. My people will experience this reality," saith the Lord.

**Merging Military Forces**

"You will see the days when walls shall come crashing down as major empires collapse overnight. I will show you days of major upheavals within nations that appeared to be unshakable strongholds. You will see military defense forces increase in large numbers."

**Dollar Loses It’s Power**

"The season of intense technology shall be upon the land. You will see military forces merging in an attempt to gather more strength. Nations that you never thought would come into power will enter into mutual agreements, and you will see My Hand separate the wheat and the tares."

"Prepare! The dollar will lose its power, and you will behold another currency taking root within the hands of Americans. And this change will be blamed upon the economic collapse of the monetary system."

"This change shall happen in a moment; in the twinkling of a greedy eye," saith the Lord. "Once those
that manipulate the monetary system get their plan approved, you will see new money surface within the hands of the citizens of this nation. The day of privacy will be eliminated off the planet, and new technology will chart the movements of men and women. It will be the season of the unveiling of great secrets.”

**Change in Media**

“Media will undergo a change, and will not be known as you know it today. There shall be great interaction with mass media. Men will stand in amazement before their television sets to behold a massive explosion that will take place in the heavenlies. The effects of this will be felt within the earth’s atmosphere.

**Sun Burns**

“There is a summer that is forthcoming where men will be warned not to spend many hours in the sunlight. You will see the sun literally scorching the flesh of men.”

“These days will bring the church into a cycle of prayer that will cause people to return to My House. I will use My prophets to trumpet a call in the earth and sound the alarm of My judgements in these events. Prepare! For this day will bring clarity to this generation and unfold My purpose unto them for this season. I call for repentance, for the great work that is coming will
not tolerate the deeds or thoughts of yesterday. They cannot enter this new season.”

Strange Diseases
“I saw the judgment of the Lord coming into the earth. Strange diseases came upon the shores of America, and entire geographical areas were faced with great concern.

Entertainment Industry
I looked again, and the Spirit of the Lord showed me a parade of those who basked within the accolades of men. And the Voice of the Lord uttered, “I cast a fresh judgment upon the entertainment industry. You will see the idols of the world fall overnight. I will judge the promiscuity that has reigned in this century to the defilement of many. I will bring the glamour of the entertainment industry to nothing, and you will hear a cry for morality escape from the lips of them that will apprehend My Name.”

“You shall see great artists brought to nothing in their careers. You will witness the collapse of music that creates immorality. A generation will come forth that will boycott certain artists, and their actions shall demolish entire labels in a day.”
Television Becomes Education Tool
“Television will be changed, for this shall be a season of high technology. I bring great expansion in the areas of communication. I will change the way of education in this nation, and the media will become the educational tool of that day;”

Racial Tensions
“I will bring about an anointing that will bring men into focus, and a new level of light will come to the nation at large. The days of racial tension shall increase, and you will see the ugliness of this sin magnified more and more. In the midst of this struggle, a major voice will be eliminated in a day. It will be known as “the season of chaos.” My Hand shall be quite visible, yet My doings shall appear strange to thine eyes. The oppressed people of that day will cry and lament because a hero will be taken off the scene.”

Hate Groups Vocalize
“You will see major religious leaders voices coming to the forefront. It will be the hour of transformation. Clandestine hate groups shall emerge from their hiding places, and I will strip off their masks and expose their hostility.”
Curfews & Weather Patterns
"I will cause the nation that has a pot on a fire to explode. Weather patterns will take unseasonable courses. My visitation will become great within the earth. It will be seen even within the nation as curfews are established within major cities."

Erratic Economic Movements
The economy will take a great change. It shall flip and flop with such erratic movements that men will not be able to chart what will happen next. Corporations that stand in the year 2000 will not be allowed to cross into the year 2001.

New Education Process
I will bring judgment upon learning institutions that have enslaved the minds of men, and you shall see a new educational process emerge in this season and hour," saith the Lord.

Religious Wars
I looked up in the sky and beheld creatures flying as buzzards, looking to pick at the establishments of great strength. And the Lord said, "These are the creatures that have been sent to weaken empires and wipe out the names of those who have had coffers of wealth sitting in properties and institutions. This is the season that new billionaires will be made. I will bring forth a large seg-
ment of the earth that will come into great prominence.” I looked up and saw Arab nations coming to the forefront. I also saw these as days of great religious wars.

The Name of the Lord will be heard by the people of God. It will be a generation of change that will begin to react from the defeat that has become a melting pot within the system. The day of great sorrow and collapse will come from hell to strangle the evil that sits in high places within the earth.

Youth Speak Out In Masses
The day of the Lord will bring joy to the people of God that follow His will, but great judgment shall fall upon those that have not followed the plan of God for this season. I looked across the country, and I saw a mass exodus from many school campuses. I stared in amazement as a generation of youth started voicing their opinions concerning the ills of national and international issues.

I watched as the Lord began to hand-pick the next guard that would stand as watchmen over the doors of the cities. I saw men coming out of the East Coast that stood and proclaimed judgment against the corruption and injustices that had been established as law.
As I looked into the sky, an eagle soared out of the clouds and dived upon a prey which it quickly devoured. Then I saw the poor and the needy crying for help, and the Lord appeared to judge the deeds of the eagle. His Hand began to pluck the eagle's feathers. The nakedness of the eagle caused its senses to become dull, and the Lord began to speak, "The stripping of America is at hand, and I shall bring her to her knees. A stranger shall possess her financial borders, and I bring new nations to the forefront. Prepare for the great harvest."

**Slanted-Eyed People**
The Lord further said, "You will witness the slanted eye people coming forth from a place of relative obscurity. A new group of worshippers shall emerge from the East. Great orators will bring forth a clear word and a redemptive word to an oppressed people. They will teach the world about prayer and meditation. I will cause the nations of the earth to take a look at their value system."

I looked into the future, and I also saw the education system falling into the hands of men and women from the east. The areas of discipline that began to be instilled within these systems of education began to fall apart. But the word of the Lord came unto me saying, "Men will reach for many things, but I am waiting for them to reach for My will and purpose in this hour. This day
will be great if they come unto My purpose and visit all that I have in store for them.”

**A New Currency**
I was surrounded by a sound laughter, which sounded snide and mocked the faces of men. I looked and saw the currency laughing within the earth. There was a great scurrying, and the dollar began to fall....fall....fall....and the nations around the earth began laughing at those who were selling large sums of items to salvage their investments. Then the word of the Lord came unto me saying, “A new currency shall come into the picture that will bring tears unto nations and commerce will change before your eyes.”

**New Foreign Alliances**
Then the Lord began to send instruction to the new generation of heralders. In the year 2015, trumpets large and small began to blast a sound all over the earth to which all men began to respond. Media began to pick up this sound, and they echoed it in the earth. And the Lord said, “I bring thee to an hour of awakening. You will see the downtrodden rise up out of the murkiness of obscurity. The light of a new day will present itself, and you will witness the coming together of foreign nations which had refused alliances in the past sit down at negotiating tables and embrace their new loves.”
Mighty is the Lord of Hosts, and Mighty is His Name!

**Illinois**

"Come away, My beloved, and witness all that I desire to show you. The day of the Lord is a day of revelation. I shall unveil My glory within regions of the country. I will bring a shaking in Illinois, and you will see revival coming out of desolate places that will radiate towards the east and the west simultaneously. I have heard the cry of a desperate people and I answer so as by fire."

Out of the bowels of the earth, I heard, "Hear My cry, and attend unto My words." Then the voice of the Lord came forth in the sound of a trumpet and said, "The time for your deliverers is now emerging. I will raise up voices to speak for those who have been rendered silent. These voices will speak with a political and spiritual theology."

**Ecclesiastical Think-Tank**

"I shall gather prophetic voices that will take the church into a new level of worship and a new measure of prophecy. A new spiritual kingdom will emerge in the earth. You will hear of "think tanks." The hour is coming that you will see many ecclesiastical formations coming forth from the Spirit-filled church. I will raise up colleges of bishops. You will see orders of this day handed unto men that will impact and change entire
geographical areas."

A Day of Great Mayhem
"I will cause a great period of revival that will come in the year of 2005. The drops will begin to fall. During this season, a bomb will be released that will shake the world and cause men to wonder in astonishment. The day will be called "a day of great mayhem."

"The day of My Presence will bring about great enlargement to those that will not be afraid to proclaim My Name in this hour," saith the Lord. "I bring forth a new nest of eagles that will come forth in My House." I will cause men that desire to know My will to feed upon this manna while within this nest, for I prepare them for the years of proclamation that will be set before them."

Legalized Abortion Comes to an End
"The day of legalized abortion, as you know it, will come to an end. But you will see hate emerging within the streets after this period," saith the Lord. "Within the process of this change, I will cause the spirit of murder to become bound within the earth. Now you will see My handiwork calling men to announce the next commanders that will come to the forefront of the Lord’s army."
Cost of Seafood Escalates
Then I looked and saw the tranquillity of the sea begin to change into an angry swirling mass. I realized that I was witnessing a great judgment at sea. And the Lord said, “The price of seafood will escalate because of My judgment. I will cause diseases to bring plagues upon the earth. You will visit a day in 1996 when new plagues will be introduced, and you will see the judgment of God. Men will try to keep it “hush-hush”, but they will lie to you through the media. When you hear of the magnitude of these diseases, you will know that this is the beginning of the judgements written herein.”

“No the days of clear images and pictures of the Kingdom shall bring men to new light. Salvation will come to many as they witness the great day of enlightenment. I will bring about an enrichment that will cause men to hear My voice, and the sound of Truth will become clearer and clearer. I will make men to know My hand in ways that will astound their minds. The Word of the Lord will bring men into a clearer destiny, and I will move men that have been stuck in the past into a brand new future.”

“No the time for the sons of God to cry out, “Holy is Your Name.” Then went a mighty cry unto the Lord from the earth. The Lord will bring men into seeing the great vengeance of the Lord. And he said, “This
is the day that men have waited for. I will bring an end to illegal institutions and governments that have been set up within the nation of America, for they will fall with a great noise, and there will be a great rejoicing within the streets.”

CHAPTER III
Then the Word of The Lord came unto me saying, “This is the hour that I am about to move in the lives of men that have forsaken My ways and through their backsliding have compromised My standards. I will cause swift judgment to come to many people who shall meet with a sudden end.”

Freedom From the Constitution
I was carried upon the wings of an eagle, and looked down upon a map of the United States. My eyes beheld governments in turmoil. And the Voice of the Lord began to say, “This will be the day that you will see states forming ungodly alliances. They shall begin to demand freedom from the boundaries of the Constitution. Many shall say, “How can these things...
be?”, but it is the hour that the spirit of uprising and rebellion shall visit your land.

**National Travel Permits**
Then I began to travel the landscape, and found myself detained at checkpoints. I was shocked when I was detained at the gate from one state to the next. I cried, “Lord, how could this happen in a country that was known for it’s freedom? How can these things happen in the land of the free and the home of the brave?” And the Lord spoke quite soberly, and said, “This will be the hour that you will witness the institution of travel permits that will grant individuals license to travel from one state to the next. Many shall be perplexed, yet this is a judgment that shall be rendered upon a nation built upon lies.”

“Much of what you will see will be masqueraded with the name of the church, but it will be a church that will not represent a spiritual kingdom,” saith the Lord. “These will be the days of many wars and great uprisings. You will only begin to taste of this bitter root.”

**Retribution**
I heard the cackling of derisive laughter that pierced my ears, for it seemed so out of place as I grieved over the judgment of God. Then the Word of the Lord came unto me saying, “This will be the hour of laughter in the
heavenlies. The angels of the Lord understand that the hour and travail of America’s repentance has come upon her. The deeds of generations past shall make their visitation, and they shall show no mercy unless a praying people stand in the gap to temper the move of God in this season. America has a date with retribution, and none shall stop their meeting.”

Greater than the Bubonic Plague
And then I heard the voice of Wisdom cry out, “Prepare! Prepare! Prepare!” And the earth began to open up and swallow an entire nation with a terrible calamity. “This is the hour that plagues shall consume a vast number of people in Europe. These plagues shall overrun their boundaries, and shall sweep the Earth with a terror and vengeance that shall be greater than the Bubonic plague,” saith the Lord. “The hour is swiftly approaching that viruses will appear one after the other that will baffle and mock the efforts of the medical industry. I will cause those nations that have created diseases for the purpose of evil to taste of their own bitter medicine. Their judgment shall now visit the governments that have funded the creation of this nightmare, and they will taste the harvest upon their own shores,” saith the Lord.

The original thirteen colonies of America arose and presented themselves at my feet. I asked the Lord,
"What is this I am beholding?" Then the Spirit of The Lord came upon me saying, "Allow Me to take you back to the days of the early eagle." I saw men that were moving in the mercy of God start to remove the idols of the land. But their greed caused them to begin to abuse and oppress the innocent of the land. And the Lord continued, "Prepare, for the tables are now turning and you will see the Hand of the Lord moving on the behalf of those who were cheated out of their rightful inheritance."

**Financial Restoration**

"This will be a time that you will see My visitation upon despised people. I shall move upon people about whom the world had said would have no hope. A degree of prosperity shall visit them that will overwhelm the masses who sat in judgment of them. Their envy shall cause them to say, "How could this come to these who, in our eyes, do not deserve these benefits?" Many shall be left speechless at the miraculous moving of My Hand, for I shall work miracles in the midst of this people. I shall cause the oppressed to witness My plan of restoration in this hour," saith the Lord.

The hand of the Lord came upon me and lifted me above the capital of the United States. I saw every work of evil taking place in a nation that had lost its direction. I beheld men wrestling and grabbing for power, yet nei-
ther had earned the right to grasp the gavel of authority. I stood transfixed by the struggle, and suddenly I heard a creature screaming in the sky, saying, “The hour has come for the fall!” And I saw the great wounded eagle plummet down to the earth with violence.

A great company of birds gathered from the north, the south, the east and the west, and they began to pick upon the fallen eagle and devour her. It laid helpless upon the ground, forced to accept its tortuous demise. The Word of the Lord sounded forth saying, “The hour is upon you that a government of uniform will sit in the seat of power.”

The Bear Defeats the Eagle
Then the bear came from the east strutting onto the scene, whose head was held aloft upon the wings of pride. The bear sat smugly singing, “We defeated the eagle! We knew that we would win! We tricked them into trusting us...we fought them from within!” But then I heard the Voice of the Lord declare that the eagle’s defeat was the result of her undisciplined ways. She was defeated because her promiscuity and unjust treatment to the poor and the homeless weakened her defenses. Her hedge was destroyed.

I pondered at the gravity of these happenings, when the Word of the Lord came unto me saying, “This will
be the hour of breakthrough in the house of the Lord! You will see prophets of different orders emerge upon the scene. They will be a new tribe that will come into place, and the body of Christ will see miracles wrought at their hands. The miracles of this age will bring us into a degree of light that will astound the church, and the world will press into the House of the Lord to see the movings of My Hand.”

**Water Shortages**
“IT will be the hour that blind eyes will pop open and deaf ears will be unstopped. These days will bring not only the healing of literal blindness and deafness, but you will see the spiritual condition of men begin to change,” saith the Lord. “The hour of laughter will begin once again in the earth, but this time you will see My judgment swiftly follow. Prepare, for water shall be cursed in certain areas, and bottled water will become a precious commodity. I will cause the price of water to escalate to an all time high when a series of events take place.”

**Terrorist Attacks**
You will see terrorist attacks occur within the nation that shall bring great loss of life within communities and cities at large. You will hear of water that will be poisoned, and food that will be tampered with, and the creatures at sea will suffer great loss because terrorists
shall strategize to release a noxious chemical into the ocean to destroy the life therein."

**MIRACLES**
This will be the hour of change, change, and more change. You will see the manifestation of the Holy Spirit in ways that will leave you astonished. You will witness the word of the Lord coming to pass before your eyes. The days will come that you will see the anointing of Elijah come upon men and women that will call fire from heaven, and you will see the miracle of the flames appear before your eyes,” saith the Spirit of Grace.

CHAPTER IV
Ohio
The Word of the Lord came unto me saying, "Prepare! For I will show you the judgment written for the state of Ohio." Then I looked up in the sky, and I beheld seven swords hurtling towards the earth. I saw twisters of every kind and great weeping coming to this state. And God said, "The day of judgment shall visit this state. They will see My wrath in this hour."

I saw the eyes of the Lord roaming to and fro within the borders of this state, and the Lord said, "I am looking for men that will be willing to cry out against the injustices that have been birthed in this state. I am looking for those that will loudly proclaim the Word of the Lord against the sin of racism that exists within
these areas.”

Then I beheld a great shake-up, and the Lord allowed a calamity to hit this area of America so that great attention would be brought to the nation concerning His judgment. I heard Him say, “This will be the hour of major changes within this state, and churches will be called to lift their voices and they shall come together out of desperation.”

FLOODINGS

“I will shake up the Midwest”, saith the Lord. My eyes began to drift southward, and then I heard the word of the Lord saying, “This is the time for you to behold a disaster as well as a miracle.” I saw massive flooding that began to mount up and many declared “This is the flood of our time.”

My vision was transposed, and I saw commerce changing quickly. I began to declare unto the Lord, “Why this sudden change?” And the Lord said, “This is the hour that I will cause water levels to rise to towering levels, and this will be known as “the years of massive floodings”. I will cause the land to cleanse itself of all the debris and waste that has been contaminated by mankind.” I looked down, and I saw the Mississippi River, but its water began to flow backwards. As I wondered at this phenomenon, the Lord said, “I will show
you how to recognize My hand in the Land," saith the Lord.

"I will make the land repent for the unrighteousness that has remained within men. This will be the season that I will command repentance from men in high places, and you will witness My Hand as you see My words come to pass. I will cause men to cry out as they desperately search for the cure of the incurable diseases. This will be the time of the elevation of men that have truly known My Name. You will see new political movements emerge onto the scene."

**Detroit, MI - New Political Party**

I looked up and saw the Motor City. I heard the word of the Lord declare, "This will be the hour of many turnarounds and changes on every front. You will see strong political voices emerge out of Michigan, and the volume upon their voices shall frighten the masses. This will also be the hour that you will hear of a new political party that will emerge with great success at first. These voices will be received by grass root people, and many shall attempt to follow after these liberators, but they will not be the voices that possess the true power to bring deliverance."

"Now the hour has come for the hourglass to be turned upside down, and you will behold My glory in
ways that you have never seen. I will cause a new breed to surface in this hour that shall speak with a voice of boldness. The season that will appear will be known as “the season of God’s judgment,” and you will see the earth quake and tremble at My approach. Men and women that appeared so stable will become weak in this hour. I release a new breed of men and women that will bring the church into the Twenty-First Century.”

Ohio - The Buck-Eye State
“The hour of My hand will be seen. I beckon thee, Ohio, known as the Buck-Eye state. I will cause you to come to your knees in prayer and start running to men and women of God that have the answer for the season which you are in. I will cause you to see My doings on the 8th day of the month in a year that ends with the number 8, and you will see tears of weeping pouring from the eyes of many. Men will run for fear wondering if their families will come at all.”

Climactic Changes
“These will be days that the earth will groan and travail with the cry for change. It will be the time that you will see changes occur within the climate. The natural disasters of the 20th Century will begin to bring a change in the climate upon the earth. You will witness the rise of temperatures at levels that will break records, and there will be great danger lurking for those that sit in the sun.
It will be the time when men will seek to do business as the sun goes down. The days of scarcity will come. I will judge the earth, and the creatures will begin to prophesy and echo the message that this is an hour of change," saith the Lord.

**Wildlife As Plagues**

I heard the rustling of wings above my head, and as I looked up, I saw birds of every species filling the air. I could understand their language, and they spoke unto the Master, asking where they could lodge. Then the Lord began to speak saying, "This is the hour of major judgements. The houses of men shall be plagued by the intrusion of wildlife. You will see the days where the beasts of the field and the fowl of the air shall become an enemy and a plague unto men."

**Trees & Fishes**

"I will judge mankind for the destruction of trees. Trees will become quite precious in years to come. You will hear of new laws and bills passed in reference to the trees that remain upon the earth. I will cause creatures in the seas to change the zones of their habitations. You will see fish moving further up towards the north. There shall be major changes within industry, such as you have never known. I will make My ways known unto those that will have a desire to follow My plan, for this will be the hour that I will unfold My purposes to
the eyes of mankind," saith the Lord.

New Wave Music
"Get ready, for you will see a fresh wave roll throughout the music industry. I will cause companies of major wealth to be forced to merge with lesser groups for the purpose of survival," saith the Lord. "I will bring judgment through a new sound in the earth that will silence the voices of past recording artists. This will be known as New Wave music. You will hear of a crowd that will pick this up and change the entire drumbeat of a nation. I will cause men to move with this sound that will speed up the paces of men in the earth. This sound will usher in a new level of industry. The industry, as you know it today, will become obsolete within the next 5 years. It will become so obsolete, that you will see a nation thrown into economic disaster for the hands of men will be replaced by the technology of that day."

Children Born Wiser - Geniuses
"Education will take a swift turn. I will cause geniuses to come forth within this nation. You will see children born wiser, and the learning process within this nation will take a turn. Many will say the system is not working, but the Lord says, "It is not the system that is at fault, but you are witnessing the day of the removal of men with old mindsets. I am moving them off the scene. The hour of transition is upon you," saith the Lord.
Cancer
"I will bring about a healing in the area of cancer. But, in this hour, new diseases will come forth that will eradicate entire communities within days.

Louisiana
I bring places like Louisiana to a standstill in a season known as “the lonely hour.” It will be a time of great disgust and the letdown of an entire nation.”

Men of Wisdom
And the Spirit of the Lord commanded me saying, “Make known unto men the tablets that are sitting in the heavenlies.” He showed me a scroll that was written for the earth. The Lord said, “This scroll lists the generation that will come forth in wisdom. They will become legends within their own minds, and they will proclaim that they themselves are God. In this, they will pronounce that all their acts are mighty. I will bring their “wisdom” to utter foolishness. You will see tragic mistakes made in the heavenly realms where men dwell. You will hear of major upset within the planets, but when this comes, I shall tell you more,” saith the Lord.

Major Discoveries
“I will bring about major discoveries in the year 2005. It will be the season of the unveiling of major events that
HAIL STORMS, HERBAL - MEDICAL WAR

will happen in the hands of science. I will cause entire textbooks to be rewritten because of the discoveries that shall emerge in this season," saith the Lord. "You will find that I will bring men to a place of awakening their consciousness to realize that there is a God that is moving in the heavens on the behalf of men. I will make the year of 1996 a year of turnaround in natural disasters."

Hail Storms
"Shortly," saith the Lord, "you will see the plan that I have laid. Men shall not be able to alter My agenda, for I have called for change." I looked up and saw rocks coming out of the sky. He said, "You will hear of places that will experience great hail storms. You will see the worst episodes of the century within your lifetime."

Herbal - Medical War
The medical industry will embrace a season of great challenges. A war shall erupt in the media between medical science and herbal science. The laws will change on the books, and medical science will seek to control all the plant life that I have created upon the earth," saith the Lord. "But I will have you to know that I have made the trees for the healing of the nations, and no man has the right to assume that control."
Africa & Europe
Then the Lord said, "Come up hither, My son, for I will cause you to see further things that I have written for the earth to experience." Then I was lifted to a place and went to a golden desk that held the judgements of men that would bring adjustments to mankind. Then the Word of the Lord came unto me saying, "Open your eyes upon the page that is written "Present Generation." Then I saw a line written that said, "Messengers will come forth in this season with speeches that will cause shake-ups in major countries. The power of speech will sweep the media, and men will come to know the days when the pen shall become mightier than the sword."

I saw documents signed, and the Lord said, "Prepare for the polarization of nations that will come into focus for the Twenty -First Century. Watch America form new alliances. The days will approach that the nations in the Middle East will come to a united front. There will be a religious war that will erupt and bring a great shaking within Africa and Europe. You will see the day when men will be placed into prison for their religious beliefs, and many will die in the name of religion during this next season."

Then the Lord said, "Speak to the mountains that stand before you," I did as I was commanded, and the
mountains started to shift and a great shaking began under my feet. And God said, "This will be the season of the fall of major nations that have been standing in the forefront. Get ready for the next level. I will bring about major adjustments to those who are determined to know My grace in this season. I will cause laughter to ring out of the heavenlies that shall laugh at the calamities of men that have stood against My cause."

**Price of Wheat Escalates**

"The price of wheat will escalate, and shall be priced out of the reach of the common man. I will bring judgment upon the wheat industry because of the corrupt usage that has destroyed the lives of men. I will judge the very wine that has intoxicated the nations, for I now consider the very root of it," saith the Lord. "The days will come that you will see the hand of the Lord coming in a season of much repudiation. I will make men to know that I am God, and besides Me, there is none other."

I will cause men that have stubbornly ignored the beckoning of My Spirit and have continued in unrighteousness to be pulled out of office immediately. I will not suffer them to stand and receive honor that they do not deserve. Your eyes will witness a visitation of wealth that shall grace My House. I shall favor leaders that have an ear to hear My Voice, and they shall gather the wealth of the wicked. They will glorify My Name, for they shall experience My goodness in the land of the living.

Major Denominations to Fold
The pillars of strength within the Church Age of the 1990’s will be shaken before the turn of the century. I will cause major denominations to fold within the next 10 years. In the year 2005, you will see a new group emerge that will take the church into the next 100 years. They shall impact society in an unusual way, and they shall be a force to be reckoned with. You will see leadership emerge from this group that will become heavily involved in the political process. The days will also come that you will see men of color take the forefront in the church. You would say in your heart, "They were always in the forefront." But this is a day that I will bring them to a new level of responsibility."
First African-American President
In this hour, the day of the Lord will be revealed in a greater measure than that which has been witnessed in centuries gone by. You will see, in your day, where I shall take a man of color, an African-American, and cause him to win the Presidency of the United States. Do not rejoice in this, for he shall be but a puppet dancing on the strings of manipulation, and the African-American community will suffer greatly at the hands of the nation.”

“You will behold the ugly sight of the corruption of power, and I will begin to show the Church and those that desire to know where real power lies, for it lies within Me. I will bring men to an awareness of the many changes that will come about. I will reveal the plans that I have laid for this hour, and you will behold My glory expressed in new dimensions.”

Immigrant Rights Revoked
“Many opportunities shall evolve, and a foreign nation will be enslaved within these borders. The doors of immigration will open again, but this time it will cause such a stir and a fury that many will literally come into the nation stripped of all their rights. You will see a system instituted that shall reek of the stench of slavery. Many shall prosper in this season, but though this system will produce a spur in the economy, ultimately it
will cause a revolt in its future generations."

**Strict Security Measures in America**

An eagle began to soar above my head, and I stood in amazement as it began to perform acrobatic maneuvers in the sky. Suddenly, the eagle landed upon the earth, and the Word of the Lord came unto me saying, "The days of trouble are coming upon America shortly. It shall appear quite close to the home base. You will hear of the increase of terrorism, and security will be tightened within this nation. The security measures within this nation shall change in such a manner that it will defy your imagination. You will see the day that major department stores will utilize extreme measures of security and the streets will be filled with military forces. You shall witness the horror of calamity that shall strike fear within the hearts of men."

**Subway Tunnel Shakeups & Security Checkpoints**

"There will be major shake-ups within the tunnels and subways of America. You will hear of men running for the safety of rural areas, for there shall be great upheavals that shall strike great dread within the hearts of men. You will witness a force in this season which you have never had to live with before," saith the Lord. "I will cause your understanding to unfold, and you will behold with open eyes the days when men will
encounter security checkpoints just to travel from state to state. These days shall come, and nothing shall turn them."

**Green Card**

“For America shall experience a season of great sadness. As I stood in the midst of a river of tears, I saw men walking with a green card in their hands. And the Lord continued to say, “You will see the day that the green card shall license your travel. These new security measures will even be used to determine who shall be educated and who will remain ignorant. I will cause men and women to ponder in amazement concerning the events of these days. You shall see the handwriting upon the wall, and mothers will weep for their children and cry out for vengeance. The days will come when you will hear of children caught in an explosion. Fathers and mothers will send their children off to school in great trepidation.”

**Cathedral in Commotion**

“The days will come that you will stand in a place of humility. Churches will be called upon for help, for men will cry My Name in desperation, seeking refuge from their pain. Churches will be called upon for help. Yet those of evil intentions shall be blatant in their hatred of Me, and a major attack shall be launched upon a house of worship in the turn of the century.” I wept at
these words, and began to mourn. Suddenly, I heard a large commotion in the hall of a cathedral.

I could not believe the atrocity that took place before my eyes. And the Lord said, “The eagle will be brought down to a place of humility. I will make known My ways, and you will see the unfolding of My plans. I will give an abundance of visions in this hour. And you will witness the function of the prophet in this season.

Prepare for great turnarounds, and you will see a supernatural element coming forth in society. That which was laughed at and ridiculed in the past shall become quite the acceptable lifeline for a future that danced with disaster.”

**Hate Groups**

Then the Lord said, “Come, and allow Me to show you the rottenness within the core of the nation. You will see hate groups within the nation that will become very vocal and they will trumpet their opinions of the government and despise the decisions being made. You will also witness organizations that will strategize a revolt against the present day systems and the way things are being run.
Citizenship
Simultaneously, you will also see men surrender their citizenship, and your eyes will witness a revolt within society whose noise shall echo for years to come. Men will be hauled off to prison because of their belief and conviction. The days will be upon you where men that do not bear the marks of this beast will not be able to buy nor sell, for they shall be expelled from a society that prays for their demise.”

Farming & Fishing Industries
“I now show you the farm industry, for it will take a turn in the coming century. I will bring a climactic change in this season, and you will see major rearrangement within the produce industry. The fishing industry shall also undergo major change.” I saw the Hand of the Lord moving upon the sea. Then my eyes began to open wide as I witnessed sea life relocating to other parts of the sea. And the Lord said, “You will see the days of extreme changes within the climate. The days of unusually warm winters will become a reality. You shall see the temperature rising in degrees, even within the Northeast. When you behold this hour, know that I am rearranging things. I will cause industries to have to change their strategies. I move in seasons, and will raise up one situation while I am yet taking down another,” saith the Sovereign God.
AFRICAN NATIONS, THE DANCE OF NATIONS

African Nations
"You will see a rise in African nations, and you shall witness a day and a time that their influence shall bring stability and shape the affairs of men. I will show you that I take that which has no hope, and give it hope," saith the Lord.

The Dance of Nations
The vision of the Lord showed me a new room, where the floors were newly polished, and the room was dressed in beauty and glamour. I looked around, and marveled at all the different countries that were assembled in the room of glamour. I saw ornate tables that reflected the distinction of each nation. I beheld them as they were in their native dress, and I listened as they spoke to one another in their mother tongue. Then the strains of music began to play, and all began to dance with glee. The atmosphere was full of joy for a moment, when Discontentment entered the room. I noticed the year of 2015, and I began to wonder what took place before my eyes. The dance of joy became a dance of frustration, for the nations could no longer find fulfillment within themselves. They began to change dance partners, but their frustration continued. And God said, You have just attended The Dance of the Nations. You will see many new alliances in this season. They will align themselves for the convenience of the moment, and then they will switch to the next partner. But this
will only bring a small degree of joy, for at the moment of their greatest pleasure, I will bring swift destruction upon the thoughts and intents of opportunistic men. You will hear My laughter coming out of the heavenlies, and I will frustrate them further within their own frustration."

The Caribbean

"Mighty, O mighty will be the winds that will blow upon the shores of the Caribbean! I will cause teams to leave this nation to rebuild nations that will suffer a ten year setback. I will bring men to repentance concerning their carnivals and activities that do not bring glory to My Name," saith the Lord. "I will raise up men that will call certain nations to repentance. I will make known My wisdom to those that will desire to hear what I have to declare unto them."

A new sound shall come into the earth because a new generation will make known the happenings of the Lord. You will behold the word of the Lord being declared, and great will be the number of women that shall prophesy in this hour. You will come to know My glory in a way that has never been experienced before. It will be the time that I shall unveil what I will be bringing men into on the other side. I will give the Church glimpses of My glory, and you will hear of miracles as young men see visions and old men dream dreams. I
will make heaven known unto the earth in a degree of light that you have yet to experience. The Church will move from one level of illumination to the next," saith the Lord.

**Comets & Eclipses**

"The eyes of the earth shall behold a season of eclipses within the heavenlies. Unusual comets shall appear in the skies, and will be a sign and a wonder for all to behold. These will be the days of the dawning of a new age for fashions, a new age in science, a new age in industry, a new age in the Church and shall impact every facet of society. Technology will take off at the turn of the century and all the earth will prophesy and make room for new discoveries. You shall see this within your lifetime."

**Church & Technology**

"Even as I bring this forth, the Church shall be in the forefront of new technology that shall come forth in new levels. For I, the Lord, am raising up one in the year of 1995 that will take media to a new level for My glory. You will behold the day that men shall even capture My appearing in the sky. For as it has been declared in advance that every eye shall see Me, technology will also make room and prepare for My coming," saith the Lord.
“The days will come that I will judge those that will not change with the times that I am declaring, and you will find that those who choose to flow in a primitive anointing will be left out of what I am doing and stand ignorant of the way that I shall be moving. The days will come that you will see My anointing simultaneously captured upon the screen when I bring forth this major visitation.”

**Amazing Children’s Discoveries**

“I shall cause you to see a day that children will work miracles and come forth with amazing discoveries. It will be the Day of Amazement in the earth. Unbelievers shall come to witness the miracles. Many will never fully commit to Me, but they will see My glory,” saith the Lord. “I will cause men to see visions in images that will literally divide the Church as to whether it is I or not, for many will not comprehend My doings in this hour.”

“At the same time, you will also see that the prince of darkness will work wonders that shall be startling in their magnitude. Only those that have an ear to hear will discern that which is of Me and that which is not. I will cause you to know those that are mine by their testimony and confession of the Lord Jesus Christ. This will be the hour that men will ask individuals on national television, “Who do you confess to?” in an
attempt to discern whether they are of Me or not. You will enter a season where many prophets will emerge out of obscurity and stand in the forefront. Mighty deliverers will come out of Atlanta, Georgia, Washington, DC, and Detroit, MI. I will cause a merging of these three states because I will cause certain men of these areas to sound a trumpet in the twenty-first century that will make dry bones come alive. They shall stand together, and you will hear of major conventions coming forth that will liberate the souls of men.”

**New Political Party**

“A new political party will make its way to the platform. A candidate will come forth that will bring America to a place of trembling. I saw devils in the heavenlies running amok with glee, asking, “Is this the one that shall dethrone mankind?” “There shall be a race that will seem to be very close, but the Lord says that this is the hour for shake up, yet it is not the hour for change. But I warn the Church: speak to the political arena, but do not allow yourselves to lose sight of your first love and miss the way. Remain on the course of a road,” saith the Lord.

**Carl**

“There shall be a man that will emerge as a voice to the nations. I was taken into the heavens to behold four letters: C....A....R....L...., as I waited for greater clarity, the
Lord said, “When you see this name appear in the media, know that major shake up shall strike the economy and foreign leaders will begin to lead this nation on a new course and shall bring you into a new destiny.”

“Many will flee the country in this season because they will despise the new alliances that will start to form. But beware,” saith the Lord, “lest you become deceived, for fleeing in this season is not the job of the Church. I call you to anchor even more into your purpose to break the power of witchcraft that has dared to show itself within the walls of a country in a more visible way than anyone has ever witnessed.”

A Great Home Going
“Now come and see the Proclamation of your Lord! There shall be a large homegoing in the year 2010.” I saw eyes filled with water and America was shaken, for her eyes were plucked out in this season, and she mourned the loss of he who brought forth her vision. And America wept, for now she was blind,” saith the Lord.

The Season of Illumination
“Prepare! For I will make known the mysteries that this generation needs to hear. I will cause men to come forth with astounding revelations within this season. You
will see the Word of God unveiled in a light so intense that many will stand amazed. It will be the Season of Illumination. The hour will come that you shall hear a trumpet sound in the earth, declaring that the moment of change has come. When you hear this, prepare for the new guard that will surface. This will be the day that death will no longer stand as an enemy to man, for men were afraid to deal with its reality in the natural. I bring you into a season where men shall name their successors. This will be the hour that you will wonder how will this turn out, but men will come to a new understanding concerning purpose. You will see My hand in a way that will amaze many and cause others to understand the times in which they are living.”

Communities Quarantined
Diseases shall break out in many strange ways. A community shall come under quarantine, and the misery of pain and death shall walk their streets. I cringed as I heard their lament, “Oh, mountains! Oh, mountains! Come fall upon us! For our pain is too great; how shall we continue to live? Death! Oh, Death! Visit us now! Generations are dying and entire bloodlines are cut off!” This shall be the requiem of a people who will sorrow, for they have forgotten about Me, and are hopeless, indeed.”

COMMUNITIES QUARANTINED
Written Judgments

Vol. 3

Chapter VI
"Now come away," saith the Lord, "and allow Me to show you the major turn around and the season of technology that shall bring about My coming in a glorious way in this hour." You will see the day that I shall reveal My glory in many parts of the earth. This will be the day of great changes in media. You will see the days of information increase at a frightening pace."

"Men and women will be forced to re-educate themselves almost immediately. You will hear of men and women interacting through the vehicle of television, and you will see and hear men proclaiming that they are God."
Humanism Increases

"The days of humanism will increase, and there shall be great controversy concerning the role of women within society. In these days, I will bring judgment upon those that overstep their boundaries. This will be the time of much turmoil," saith the Lord.

Alternative Lifestyles Confessed on Television

"I will cause a spirit of confession to sweep the land. You will hear of political officials, standing before microphones, confessing their alternative lifestyles. I will display My glory in this season, and these days will be known as the season of "media peeks."

Mergers & Hostile Takeovers

Then strange days came forth, where the big fish showed up in the ponds and devoured the small fish. Even those that appeared to be large became small when these kind of fish showed up on the scene. You will see the day not only of mergers, but your eyes shall witness hostile takeovers."

Cities Under Curfews

"Now come before Me, and I shall redefine the days which you have come through, and the days into which you are coming. I will make known these mysteries. You will discover major cities under curfews, and this will take place suddenly. The days are forthcoming that
you will see and hear of the changes being made within big cities all across America. Come now and listen, for there is shouting within the heavens. The names of prominent men were called at the turn of 1998. These were voices that were discontent, but now they are called home to be in the Presence of the Lord.

**Things Dropping Out of the Sky**

"Come and behold more of the handiwork of your Lord! You shall see space technology make a major leap, and many that were in darkness concerning what men call "outer space" shall come into a new light concerning these matters. You will also witness an hour where elements from that realm shall enter this atmosphere. You will hear of things dropping out of the sky."

**Helmet Fortunes**

I looked up and saw a season where men made a fortune off of helmets. Men and women were walking the streets with helmets upon their heads. You will find men making astounding and frightening predictions concerning the damage that will happen when this massive object hits the earth.

I went to the television screen and saw America watching the take off of rockets and missiles on every channel. Many stood with tears in their eyes while others were waiting for the outcome. Then the word of the
Lord came unto me saying, "This is the season that you will hear of things that will bring about many scary situations. Men's hearts will fail them because of this fear."

**Meat Industry**

"My hand will be seen in a greater dimension than has ever been witnessed before. This will be the time that meat industries that will come under severe judgment. The days will be upon a generation that will cause men to return to a diet of plants, for the day of meat consumption in the earth will be judged. You will see incurable diseases emerge out of diets that will cause viruses to sweep the earth."

**Deaths in Sports Arena**

"There will be three major deaths within the sports arena that will come one right after another. These events will astound the world. They will come fairly close to causing a nation to become spellbound, and many will wonder, "What meanest this?"

"The days will approach that you will see the mind of the Lord displayed in the form of miracles. Prepare! For these shall be the days that you will see limbs and body parts visibly restored in an instant. It is the hour that a generation will not only talk about the supernatural, but they will see it on display."
Black Out of Major City
I looked up in the sky, and I saw all the lights go out. And the Voice of the Lord said, “There will be a blackout of a major city. It will bring great confusion to the streets and topple a city into ruins within a day. It will be a time of immense terror, and from this event, new laws will be put into motion that will bring great stress upon men. Many will suffer as a result of this judgment.”

Days of Great Control
“You will also come into days that men will be picked up for standing in the streets or walking within their neighborhoods. These will be the days known as “The days of great control.”

A.C.E.
Three letters appeared in the air above my head: A....C....E...., and the Lord said, “When you see these letters come out of a government program, know that the time is near. Great shall be the sound of weeping and wailing, and many will contemplate ending their lives by suicide.”

Stockmarket Drops 500 Points
“The stock market will dip 500 points in one day and men will move about as if nothing happened. It will be a time where money, as you know it, will become
worthless. A new currency will surface in the marketplace that will be a change in the standard of how money is weighed. This will be a season of unlimited resources that will come to the people of God. You will see new money coming not only in the streets, but it will also be the hour of new millionaires. Wealth shall come to the least likely to succeed. You will see young people come forth with large sums of wealth that will astound the mind of the average man. What they will generate in the direction of technology will be unheard of. The age of these men and woman will represent a day that the youth will lead the masses into a new tomorrow."
